## Approval for Your Engine Oil "Medos 650"

Dear Madam or Sir,

We have examined the alterations of the previously approved above mentioned service product. The altered service product complies with the requirements of the Mercedes-Benz Specifications for Service Products, Sheet 228.3 and is therefore reapproved for Mercedes-Benz vehicles and assemblies. The application range is shown on this sheet, respectively explained on Sheet 223.2. Our other specifications, e.g. SAE-grades, capacities, change intervals, etc. have to be observed as well.

A 2 litre sample of each formulation and every SAE-Grade must be retained at all times, which can be called upon by DaimlerChrysler AG at any given moment. We will advise the address.

By this the approval of 15.03.2002 becomes invalid.

Yours faithfully  
DaimlerChrysler AG

Dr. Flotho
