Approval Certificate

Approval for Engine Oil "Opaljet 24S"

Reblend to OR-F56000R-A, Chevron Oronite S.A.
MB-BeVo-Sheet 229.3, Oil-Code: OR-F56000R-A, SAE-Grade: 5W-40
Change Approval - Reblend

Dear Sir or Madam,

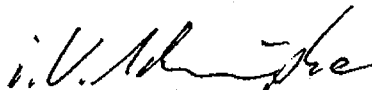

We have examined the changes made to the previously approved operating fluid shown above. The operating fluid complies with the requirements of the Mercedes-Benz Specifications for Operating Fluids, sheet 229.3 and is therefore re-approved for use in Mercedes-Benz vehicles and assemblies. The application range is shown and explained on the sheet 223.2. Other requirements, e.g. SAE grades, capacities, change intervals etc. must also be observed.

A 2 litre sample of each formulation (including all SAE grade variants) must be retained at all times, and can be called upon by DaimlerChrysler AG at any given moment. We will advise the address.

The approval dated 11.01.2005 becomes invalid.

Sincerely
DaimlerChrysler AG

Kreitmann
